POLICY TITLE: Student Application and Admissions (Domestic Students)

Purpose
The purpose of this policy is to outline Photography Studies College (Melbourne)’s approach to domestic student application and admissions through its entrance requirements and course specific requirements. This policy should be read in conjunction with the selection procedures stated in the Fair Treatment and Equal Benefits and Opportunity Policy.

Policy
Photography Studies College (Melbourne) is committed to ensuring a balance is met between upholding the principles of fairness and equal benefits and opportunity and student merit in admitting students to Photography Studies College (Melbourne). Photography Studies College (Melbourne) will ensure that all prospective and admitted students are made aware of the requirements and obligations of applying and being admitted as a student to Photography Studies College (Melbourne).

Procedures
There are specific academic entry requirements for all applicants to the Bachelor of Photography course. Students who are eligible for admission to Photography Studies College (Melbourne) will have met the selection requirements, have completed an enrolment form and selected a fee payment option for the designated year of entry.

Academic Entry Requirements
For admission to the Bachelor of Photography, Photography Studies College (Melbourne) requires applicants to have successfully completed the Victorian Certificate of Education (VCE) or an equivalent qualification. Photography Studies College (Melbourne) gives consideration to applicants who can demonstrate they have not been able to reach their full potential due to life circumstances or circumstances beyond their control.

Application Process
All applicants will apply through the Victorian Tertiary Admissions Centre (VTAC) at www.vtac.edu.au. Applications to VTAC open at the beginning of August and usually close at the end of September.

Applicants will also complete and return the Photography Studies College (Melbourne) Course Application Form directly to the college via mail or via online submission through our website www.psc.edu.au

Photography Studies College (Melbourne) does not rely on the determination of academic merit afforded by the Equivalent National Tertiary Entrance Rank (ENTER) or the Australian Tertiary Admissions Rank (ATAR) to make decisions regarding the selection process.

Its selection requirements are based on interview and presentation of a folio of work. The specifics of this are described in the Fair Treatment and Equal Benefits and
Opportunity Policy. At application, Photography Studies College (Melbourne) will also seek to ensure it gains an understanding of any extra learning requirements that may be required for each individual applicant.

Photography Studies College (Melbourne)'s Special Entry Assistance Scheme (SEAS) allows extra consideration to be granted for certain applicants seeking selection. Photography Studies College (Melbourne) will ensure that throughout the process of selection and admission, applicants are treated courteously and expeditiously. Student selection procedures are published in Photography Studies College (Melbourne)'s Course Guide and on Photography Studies College (Melbourne)'s website.

Enrolment

Once a student has been offered a place from VTAC, they are required to attend Photography Studies College (Melbourne) on specified enrolment days and complete the Photography Studies College (Melbourne) Enrolment Form which confirms their acceptance of a place.

At enrolment, the Coordinator Communications & Students and/or the Senior Officer Communications & Students will explain to all enrolling students the concept of recognition of prior learning and/or the procedures for applying for credit transfer and the required evidence to support such claims.

Students wishing to undertake recognition of their prior learning and/or credit transfer will be encouraged to do so and will be supported in their endeavours. Further information regarding this procedure is described in the RPL and Credit Transfer Policy.

FEES

Students are able to study at Photography Studies College (Melbourne) in a fee paying place. Photography Studies College (Melbourne) has been deemed eligible to offer Commonwealth assistance through FEE HELP for other courses it has on offer, and will seek approval to offer similar assistance to its Higher Education students following approval of the Bachelor of Photography. Subject to approval, at enrolment, students will make a choice regarding their tuition fee payment, which will be made either as an upfront payment, or by submitting an application for FEE HELP.

RECOGNITION OF PRIOR LEARNING (RPL) AND/OR CREDIT TRANSFER
