OPEN DAY 2024

EVENTS & ACTIVITIES GUIDE

Sat 10 Aug 10am-2pm

Events & Activities

		Location	Time
PSC Street Shoots & Nikon Hub	Don't miss your chance to take part in a 'street shoot' and create your own memorable images! Get tips for great shots, feedback on technique, seeing light and shade and more. Have some fun with this great hands on experience.	Nikon Hub	10.30am 11.30am 12.30pm 1.30pm
Creative Careers Spotlight	Want to hear firsthand about creative career outcomes. Our panel of alumni will give you the inside scoop on their inspiring path into the photography and digital imaging industry and their careers right now. Creative Industry legend Sally Brownbill will provide her wealth of industry insights and lead the discussion.	Lecture Room 1	11.00am 1.00pm
Courses Spotlight	Experience firsthand as the content of your future photography degree or certificate course comes to life. You'll gain invaluable insights into your student journey and our dynamic programs, from your creative development through to professional practice and inspiring photographic projects. Not to be missed!	Lecture Room 1	12 noon
Master of Arts Photography Spotlight	Interested in postgraduate study, hear from Dr Kristian Häggblom, Master of Arts Course Convenor, about this unique 18-month program. Discover how you'll connect to PSC's international network of mentors and realise your full potential as a creative practitioner.	Lecture Room 4	12 noon
International Study Options Spotlight	Find out about the exciting international study opportunities open to you as a final year Bachelor of Photography & Digital Imaging student. Travel to either Osaka, Japan in partnership with UEDA College of Fashion or experience shoots in Paris, France at Paris Fashion Week.	Lecture Room 4	1.00pm

All Day Activities

		Location	Time
Hands on Interactive Studio Shoots	Be immersed in your own studio shoot and experience the vibrant atmosphere of our professional studio. Let your imagination fly! In this hands on experience you can get creative shooting portraits and be inspired to experiment with the wonders of colour and light. And you'll get to take home your own photographic print. There'll be high speed photo demos, serious photographic gear and more. Not to be missed!	Studio	All Day
Campus Tours	Explore and experience firsthand our world class creative campus with a PSC student led guided tour. From the large professional studio to brilliant equipment, digital labs and student-centred spaces you can see it all. It's your chance to chat with our current students and soak up the vibrant atmosphere.	Reception area	All Day
Student Photo Showcase & Video gallery	Be immersed in our showcase of student and graduate prints, videos and photobooks. This experience highlights the unique and impressive achievements of our students and their wonderful creative journeys.	Lecture Room 3 & 5	All Day
Digital Futures	See engaging demonstrations and take part in activities using Photoshop and Lightroom. Your chance to experience hands on the photographic software tools you'll use during your course and see images come to life.	Digital Lab 2	All Day
Course Advice Degree Certificate Short Courses	A great opportunity for you to chat with our friendly Course Advisors, get personalised advice about all things PSC including course info, applications, student experience and more! Collect your print and tote bag too. You can put in your application on the day and even book your interview time.	Future Students Hub	All Day
